VOLUNTEER

## Citizenship Teacher/Tutor

Class takes place on Sunday afternoons from 2-5 PM for 10-week sessions. A lead teacher provides civics-based ESL instruction, with support from tutors who work with adult students 1:1 on interview skills.

## ESL Class Teacher

Teach a small class of adult ESL students for an 8-week class session. Classes are taught 2x/week from 9:30-11:30 AM or from 6-8 PM. We also need teaching assistants and substitutes. We provide additional training and a curriculum to use.

## Flexible Small Group ESL Tutor

Work with a small group of adult ESL students on their English Language skills. Tutoring sessions take place in public locations, and can be scheduled during the evenings, weekends, or virtually.

## Rising Up Afterschool Support

Provide support to our team of afterschool tutors on Tuesdays and Thursdays from 2:30-4:30 PM. We have three school sites and provide afterschool tutoring to children in grades 1-5.

## **Events and Outreach Team**

---

Help us share the word about our programs by joining our Event Planning Committee or Outreach Team. The Events Committee meets once a month and coordinates our annual events. Our Outreach Team represents IH at various community events and tabling fairs.

## **Home and Dinner Hosts**

---

Support our Citizen Diplomacy Program by hosting an International Visitor during their time in Charlotte. Or, consider inviting the delegation to your home for dinner and international networking!

## **Language Interpreter/Translator**

---

Provide language support services to our immigration clients, students, and staff to help us share information about our programs. These opportunities are sporadic and as-need.

## **Culture Club Facilitator**

---

Consider facilitating one of our cultural programs, like hosting a Conversation Hour in another language or a monthly book club that features international authors and topics.

## **Office Support/Special Projects**

---

Help us stay connected with our students and clients by coming in to help us make phone calls, assemble mailing projects, organize client resources, and more.

## **Internships**

---

Consider joining our team as an intern. Interns commit to 10-16 hours a week during the school year, or 16-24 hours a week during the summer. Interns typically receive class credit for their internship experiences, depending on their area of study. We have internship positions available in multiple departments.
